

DIGITAL WELLBEING FOR EDUCATORS
ERASMUS+ online *thematic* activity (TCA)
16, 18 November 2021

DRAFT

Prior to the event

Canvas LMS
eTwinning
School Education Gateway

DAY 1

Date: 16 November 2021

Digital wellbeing as a topic of concern in education

Factors influencing teacher wellbeing (digital literacy, competences, school climate, supporting mechanisms, etc.)

COVID-19: Challenges and responses that (might) outlive the pandemic

Supporting mechanisms regarding digital transformation operating effectively in E+ countries

Roles and responsibilities of key stakeholders regarding digital transformation in schools: how to effectively support educators individually?

How to influence culture and climate in schools? What competences need to be developed?

The most common topics amongst project holders --- what is missing and why?

DAY 2

Date: 18 November 2021

Making use of Erasmus+ platforms (What E+ platforms are not used by beneficiaries effectively and why?)

National responses to the latest challenges

LMSs in schools

Working with Canvas
